To Whom It May Concern,

It is with an immense amount of pleasure that we write this letter in support of Selasie. Selasie served as our night nurse for our son for three months, but in reality she became part of our family. She gracefully and patiently helped us learn how to step into our role as parents guiding us through feedings, pumping sessions, milk storage, swaddling, bath time, sleep training and more.

She is incredibly deserving of becoming a Newborn Care Specialist and we wholeheartedly support her in this training and certification.

Should you have any questions, please feel free to reach out to us at [REDACTED]

Sincerely,

[REDACTED]  
Dani and Joshua S [REDACTED]
